

Dirty

by Sydney Bell

I'm ugly.
I'm ugly.
You're so embarrassed of me.
She's pretty.
She's pretty.
And you want everyone to see.

Said you want me to hide because your fame.
But no, man, you were just ashamed.
You were always in when I was always out.
Had me behind the camera for your clout.

Drove you everywhere,
Now you're driving me crazy?
Gave you everything
for you to do me dirty.

Aahh ... And you did it in -
My shirt, my belt, my blankets, my ring
You didn't pay rent or for a fucking thing.
The second you got a place to hang,
I was second place on a list of names!
Yeah, this is what you do to make me cry.
You're attracted to a place to lie.
And you touched me because you're always high.
You didn't love me. It was just a lie.
I'm the only one hurting
But everyone can see you're ~~dirty~~ DIRTY!

I'm beneath you.
I'm beneath you.
If she's a win then I'm a lose.
She's underneath you.
She's underneath you.
I'm someone's bed cause you don't have one! *Do you?*

Latin sheets like mine, but not used.
I know you now. Just what you do.
You're always in and then you're always out.
Keep it up so you don't feel down.

Let you everywhere.
Save you my virginity?
Gave you everything?
For you to do me dirty?

And you didn't in -
My shirt, my belt, my blankets, my ring.
You didn't pay rent or for a fucking thing.
The second you got a place to hang,
I was second place on a list of names!
Yeah, this is what you do to make me cry.
You're attracted to a place to lie.
And you touched me because you're always high.
You didn't love me. It was just a lie.

I'm the only one hunting,
But everyone can see you're dirty! *DIRTY!!*

You ~~did~~^{do} them bad, but you did me worse.
You met my mom and lied to her.

Said you'll love me when you're able,
But right now you're so unstable.

Said you were doing it for me
Cause you were guilty.

But it was pity.

I was just convenient.

You're so ~~dirty~~ ~~DIRTY~~ ~~***~~ dirty. :-
Why do I still love you?

When you did it in -

My shirt, my belt, my blankets, my ring.
You didn't pay rent. ~~It's~~ You were just fucking me.

The second you got a place to hang,
I was second place on a list of names.

Jesh, this is what you do to make me die.

You're attracted to a place to lie.

And you touched me because you're always high.

You didn't love me. It was all a lie.

I'm the only one hurting,

But everyone can see you're dirty.
